

  
**We** The Students
   
 of the world. We parts of the
   
 represent humanity world, we all
   
 diversity, harmony, Have many different
   
 Unicity. Through all that skills and experience. This
   
 We compliment each makes it easier to help
   
 other.
   
 By taking each other's each other and eventually
   
 hands we become one. renew our planet. Some
   
 We're actors of change, of us are journalists, students
   
 environmentalists, critical Councils, farmers, economists
   
 thinkers, we care about business men and even teachers
   
 each and every one of But what unites us is that we
   
 us and cherish our learn each and every day and bring
   
 differences. Since our differences into new ideas,
   
 we're all from many solutions and most importantly
   
 action!
